Arlington Trips Medford, 3 to 2

Arlington High's hockey sextet strengthened its hopes of defending successfully its G. B. I. championship, when in the first round of the playoffs at the Garden on Saturday, before some 4500 fans, the Spy Ponders sneaked by Medford, 3 to 2.

Arlington needs only one more win to clinch the title, and plays Belmont this coming Saturday, at the Arena.

Medford on Saturday put up a

much tougher scrap than it did in the previous week's regular final round, when it went to pieces and was routed in the last period, 7 to 3.

Bill Meehan put Arlington ahead with a goal in the first period and Bill Leary put it two up in the second on his solo when he raced in as the two Mustangs defense players crashed and tumbled. Bill had a decoy, but kept the plug and move in close before beating goalie Bob Walker.

Chief Bullock Warns To Use Caution In Driving

"Drive slow in sleet or snow." As snow plows and crews battled drifting snow, Chief of Police Archie F. Bullock today warned motorists of the increased hazards in driving brought about by poor visibility and snow covered streets.

"This is a very bad storm and only those who find it absolutely necessary to drive, should do so," Chief Bullock said. "If you have to use your car, please be alert and take every precaution possible to avoid accidents or becoming stalled in the streets."

Chief Bullock urged that all drivers check their windshield wipers, defroster and headlights to be sure that they are in good operating condition, because reduced visibility greatly increases the chances of a collision. "Also," he added, "put on your anti-slip chains. These not only provide traction to keep from getting stalled, but reduce braking distances for cars and trucks from 40 to 70 per cent on snow and ice."

To prevent undue delay in clearing the street of snow, the Chief also warned against parking on the streets and obstructing snow plows. Your car may get plowed in. Inconsiderate parking during a snowstorm can delay and trouble for hundreds of other people, he warned.

The meeting opened with Prayer by Rev. Fr. Chamj, followed by the Salute to the Flag.

In the absence of the Cub Master Paul Dorrington, the business of the meeting was conducted by Mr. Anthony LeBlanc.

A letter of acknowledgement and thanks was received and read by Fr. Chamj, for the Wishing Wells sent to the Veterans Hospital at Bedford Mass., during the Christmas Holidays. A request for more of these Wells will be fulfilled by the Cub Scouts just as soon as possible, so that they might be distributed throughout the different Ward at the hospital.

Plans are under way for a Communion Breakfast for the Cub Scouts of Pack 7 to be held on Scout Sunday February 6 at St. Agnes School Hall.

At the close of the meeting the Cubs enjoyed moving pictures.

Arlington Academy Of Music Entertains Catholic Women

On the stormy evening of Jan. 26th, the students of the Arlington Academy of Music gave a musical presentation at the St. Agnes' School for the Arlington Catholic Women's Club.

The Conductor of the presentation was Mr. Harvey Davies, a new member of the faculty at the Academy. A male chorus opened the program. Solos were sung by

Mr. Frank Gay, and Phyllis Rodwell and Ernestine Caviechi. Miss Rita Lamb was the accompanist. Mr. Ira Pelletier, rendered several violin solos, Mr. Lesli Hurwitz, piano soloist, included one of his own compositions in his selections. The program was varied and enjoyed by all. Chairman of the evening was Mrs. Ernest Caviechi.

Star Of 'Swanee Minstrels' In Silver Skates Derby

Arlington's talented young skater and dancer, who was a sensation at the recent "Swanee Minstrels" presented by the Parish of St. James' Church, Arlington Heights, for the benefit of the CYO, gave a figure skating exhibition and baton twirling on ice at the opening of the North Shore

winter Sports Arena on Sunday, January 23rd. On Sunday, January 30, Miss Quessy appeared in the Silver Skates Derby held at Boston Garden. A student at the Arlington High School, she is the daughter of Mr. and Mrs. Hugh Quessy. She is a member of the Commonwealth Skating Club.

Postmaster McGinnis Asks Aid For Carriers

With the new and heavy fall of snow covering sidewalks and passageways in and about Arlington, Postmaster McGinnis of the Arlington postoffice on Tuesday asked the cooperation of the public in making it easier for letter carriers to deliver mail along their various town routes.

He stated that the task of the carriers would be rendered much less difficult if residents would clear a path, as well as the steps leading to the mail boxes, and sand both path and steps.

Every snow storm brings problems to the hard working carriers and members of the post office department service, who must get the mail through somehow, and the cooperation of householders in these matters will make the work of these untiring men considerably more pleasant as well as safer.

If your letter carrier reaches your front door a little later than usual from now until winter's end, you may consider the above advice from Postmaster McGinnis is gone unheeded by many persons on the mail route. No vehicle serves to speed the carrier from door to door: he must cover the route on foot, and although he's well trained in the art of walking, ice and snow slow him down just as it does every one else.

The cooperation of Arlington citizens can mean a lot to shorten the day for some faithful, hard working public servants.

I WONDER?

I WONDER If we'll ever see a super market for every family?

I WONDER If Dr. Van Waters isn't a credit to the womanhood of the State?

I WONDER If Governor Dever wouldn't again carry Arlington two years hence if he would assist in ousting Commissioner McDowell?

I WONDER If Warren Ryan, of Webcowet road shouldn't be given a great big hand for his unselfish work and zeal on youth movements during the past year?

I WONDER If you ever saw a hardware store possessing such a complete stock of about everything as Shattuck's?

I WONDER If the ARLINGTON PRESS isn't doing right when it refuses to take classified ads from landlords who seek tenants for \$115 and \$120 per month for four or five room Stables?

I WONDER If Arlington's popular dog Officer Femia wouldn't like a little fun and have his charges meet Jimmy of the Paul Revere

Restaurant when he is carrying the pork chops from Stop and Shop to the restaurant mornings?

I WONDER If the Buckley boys of haberdashery fame here in Arlington, aren't two of the most pleasant persons you would want to meet?

I WONDER If Father Shea doesn't richly deserve to be remembered with the lovely travelling bag in appreciation of his untiring efforts to make the recent "Swanee Minstrels" the big success it was?

I WONDER If any of the car parkers thanked the R. S. Robie Company for having the lot across from the Stop and Shop in the Center, tarred?

I WONDER If Jimmy, of Raytheon, isn't to be congratulated on his recent promotions?

I WONDER If Dana has developed a Vermont twang yet?

I WONDER If the popular Mr. O'Leary of the Board of Public Works isn't greatly missed while he is confined to his home with illness?

Party Manners for pleasant party lines

It pays to be poised. Party line neighbors are quick to respond to those who are calm and collected when they ask for the line in an emergency. By sharing courteously, everyone benefits . . . and party line service is smooth.

It's good to be gracious. When a series of calls must be made, it's nice to remember the others on the line by allowing time between calls. This, too, helps give all party line neighbors their fair share of service.

A NOTE to all party line users

As a general thing, party line service is good enough to meet the requirements of most party line users.

Right now, however, many people who would normally have individual service are on party lines—because this is the only way in which we could supply telephones to the thousands who have asked for new service in the past three years. We are bending every effort to speed the day when we can provide individual service—or lines with fewer parties on them—to fill all present orders.

In the meantime, won't you remember that party line service is largely what you make it. We'll do our best to handle your calls smoothly and efficiently. But, in the long run, the quality of party line service depends a great deal on how it's used.

Attorney Vahey Candidate For Housing Authority

Attorney Joseph S. Vahey of 268 Oakland Avenue, Arlington is a candidate for election as a member to the Arlington Housing Authority. Representative Keenan Makes Extension Of Tunnel To Arlington His Chief Aim

Solution of the Metropolitan Transit Authority problem to extend the Cambridge tunnel from Harvard Square to the Arlington line is the chief worry of Representative Henry E. Keenan, Arlington's newly elected member of the House, representing the 28th Middlesex District, the first Democrat to come from this strong G. O. P. election area.

Representative Keenan attended the Harvard Graduate School of Business Administration and Boston University, previous to taking his Bachelor of Law degree from Suffolk Law School, class of 1931.

With real estate and insurance business offices both in Arlington and Boston, the new legislator served as contact management broker for Arlington, Lexington and Concord, with the Home Owners Loan Corporation, and has been appraiser for the Federal Housing Administration and the Veterans Administration.

Active in Arlington civic affairs district chairman of the Arlington Boys' Scouts, executive board member of public relations chairman of Sachem Council, Boy Scouts of America, vice president of the Kiwanis Club, public relations chairman of the Arlington Youth Council and Community Fund, a member of the Arlington Auxiliary police association, as well as a member of the Charitable Irish Society of Boston.

Representative Keenan is married, and has two children, Beverly Ann, a 13 year old Girl Scout, and Richard E., a nine year old Cub Scout.

In addition to the MTA tunnel extension to Arlington, Keenan is demanding the removal of pollution from the Alewife Brook, and the widening of the Summer St., boulevard as a State highway from Brattle Street, Arlington, to the Lexington line.

Letter To The Editor

Editor Arlington Press:

May I have the privilege of telling your readers why George A. Harris is the sort of man the good government of any community needs in its governing body?

I have known George A. Harris for many years, and in that time I have had opportunity to know his business life, his family life, his private life. In short I "know the man".

I know he is honest to the point of bending backward, as the saying is, to do the right thing. I know he has strong convictions of right and wrong, and that he has the courage to express and demonstrate these convictions. His activity at Town Meetings proves this.

I know he is a "secret philanthropist". The private favors and assistance he has given those who needed help, even to putting a ton of coal in a neighbor's empty bin, attest to his wholehearted interest in the welfare of our citizens.

He is a fairly young man, he is vigorous, not afraid of anybody or anything, he is a hard and conscientious worker for whatever he deems best for the greatest number.

In short, he would be an able member of the Board of Selectmen, and unquestionable an office holder of whom our historic town could be proud.

Sincerely,
(Signed)

Boy Scouts Mark Thirty-Ninth Anniversary February 6-13

The nation's 2,200,000 members of the Boy Scouts of America will mark the 39th anniversary of the organization during Boy Scout Week which opens Sunday, Feb. 6, and closes Feb. 12.

The anniversary will be observed in every city and town and most villages and hamlets through out the nation and its territories. Its theme this year is "Adventure—That's Scouting" and the activities during the celebration will be related to the theme.

During the week many store windows will be given over to the Boy Scouts for display of their handicraft and to demonstrate some of the useful skills they acquire at their meetings and in Scout camps. New members will be inducted through investiture ceremonies.

BOY SCOUT SUNDAY

Next Sunday is Boy Scout Sunday. It will be marked in countless churches of all denominations. Scouts and leaders will attend religious services in uniform. Those of Jewish faith will hold their observances in synagogues and temples on Friday evening, Feb. 11 and Saturday, Feb. 12. Many sermons, addressed to the Scouts, will touch on some aspect of the Boy Scout Week theme.

The program of Scouting, leaders in the organization say, prepare Scouts to face the future, helping to build a new world with construction, not destruction as the goal.

They are striving, scout leaders say, for a future of peaceful living where every man is a brother to every other man, regardless of his race, creed or color.

HONOR LEADERS

In hundreds of communities, Scouts, their parents and institutions sponsoring Scout Units, will unite in paying their respects to the volunteer adult leaders whose

contributions of time and effort in behalf of youth makes those units possible.

Among the 557,057 adult volunteer leaders in the Boy Scouts of America, 42.6 per cent were once Boy Scouts. Their educational achievements are higher than the national average.

ADVENTURE IN SCOUTING

"Adventure—That's Scouting" the theme of Boy Scout Week this year is a reality for hundreds of thousands of Boy Scouts. They enjoy thrilling experiences in the 701 long-term camps maintained by Local Scout Councils and an even greater number of short-term camps for outings of one to three days. Camp property owned or leased by the Boy Scouts of America comes to more than 250,000 acres with a value of over ten million dollars.

Several hundred Senior Scouts enjoyed long canoe trips starting from Scout Canoe Bases. St. Louis Senior Scouts went on Mississippi River cruises. Coast Guard vessels were floating homes to New York and New Jersey Sea Scouts for cruises from one to five weeks.

TRINITY BAPTIST

TO HOLD YOUTH WEEK

Trinity Baptist Church School will begin the Church's observance of Youth Week with the showing of a sound motion picture "Make Way For Youth" at the Church School hour 9:45 A. M. Sunday, February 6th. "Make Way For Youth" is a picture about teenagers in an ordinary American town. The kids are divided in "sets" and they know far too little about their town and the people who live in it. The town has slums as well as pretty homes—a "right" and "wrong" side of the railroad tracks! How can young people learn to live together as neighbors and friends instead of getting into trouble? This picture presents one of the answers—a YOUTH COUNCIL, where the teen-agers of various community organizations could come together to work for a better home town, overcome prejudice and discrimination, and solve other problems.

All young people twelve years of age and over are invited to attend the showing of this film.

Arlington Man Is Honored By Mass. Council Schools

Two new members, have been elected to the Standing Committee of the Massachusetts Council for Public Schools, it was announced today by the Committee's Chairman, George A. Lawrence. They are Mrs. Irving W. Yelland, 30 West St., North Woburn, and Roger L. Warner, 16 Forest Ave., Arlington.

Long a leader in Massachusetts parent teacher affairs, Mrs. Yelland replaces her husband who had to resign because of the pressure of business, while Mr. Warner succeeds J. Turner Hood who due to ill health relinquished both his duties on the Council for Public Schools and his chairmanship of the Legislative Committee Planning Board of the Massachusetts Teachers Federation.

Formed through the affiliation of the parent teacher, public school superintendents, principals and school committeemen associations, the Massachusetts Council for Public Schools seeks to promote the improvement of public school education in the Commonwealth, to increase the general public's understanding of what the schools have accomplished and what their needs are and finally to develop and support legislation to achieve improvements and to

meet the needs.

"Although we are sorry to lose our two former members, the Standing Committee of the Council is pleased that two such able and active people as Mrs. Yelland and Mr. Warner can serve with us in the future," said Mr. Lawrence. "Mrs. Yelland has served PTA for 18 years in many official capacities. She has been local president, council president, high school president, state secretary and now serves as Regional Vice President of the Massachusetts Parent Teacher Association as well as a member of the Woburn PTA Council. During her long residence in Lexington Mrs. Yelland was a Girl Scout Leader, a member of the Lexington Arts and Crafts Society and again active in the local PTA.

"Mr. Warner who is Guidance Counsellor and Mathematics Teacher at the Arlington High School," added Mr. Lawrence, "is also Chairman of the Legislative Committee Planning Board and a member of the Board of Directors of the Massachusetts Teachers Federation. A member also of the National Education Association, he is President of the Arlington Youth Council and a Past President of the Teachers Regional Association.

February Is "Better Breakfast Month"

February is "Better Breakfast Month" it has been announced by leading producers of breakfast food specialties. School Boards throughout New England have encouraged the plan. It is their belief that a substantial breakfast is conducive to greater efficiency among school children.

Children who start their day after a nutritious and hearty breakfast, attack their studies with more enthusiasm and brighter minds than those who come nutritionally prepared to school. It has also been discovered that the accident frequency is considerably lessened when people are prepared for the day with a good breakfast.

Manufacturers of breakfast meats, pancake mixtures, fruit juices and dairy products have keyed their advertising and sales to back this campaign. They will emphasize the importance of

maintaining good health and keeping fit during the different month of February.

Newspapers throughout greater Boston will publish articles and menus for improving the morning meal. Radio stations will interview leading home economists and will feature talks by food authorities on nutritional breakfast foods and menu suggestions.

OPEN HOUSE AT MASONIC ASS'N

Lively Battle Foreseen In Sorensen vs. Harris Contest

With the sudden announcement last week of the candidacy of Marcus L. Sorensen, of 27 Langley road, for the Board of Selectmen, as opposed to George A. Harris, who announced his candidacy as far back as early December, a lively battle is foreseen in the race between the two candidates.

The winner will replace Harold Cahalin, present chairman of the

Board who declines to run for reelection on account of the pressure of business interests.

Mr. Sorensen, a town meeting member for the past ten years, and a member of the finance committee for five years, of which he was also vice chairman during his last year, is treasurer and buyer for Davis-Parker Company of Boston, wool merchants. He served his country during World

War 11, as a lieutenant in the Coast Guard Reserves. In World War 1, he was a member of the U. S. Artillery, seeing action in France. A resident of the town of Arlington for almost thirty years, Mr. Sorensen is prominently identified with the First Baptist Church, actively participating in the affairs of the Men's club and choir. He is also a trustee of the permanent fund of the church.

Victor Herbert's "Sweethearts" Next Production Of Drama Friends

At their meeting to be held at the Academy street clubhouse on Sunday afternoon, February 6, the members of Friends of the Drama will complete their plans for the forthcoming production of the immortal musical comedy "Sweethearts" by Victor Herbert.

"Sweethearts" will be the fifteenth annual musical production of this organization, and the entire production will again be under the direction of Edward and Helen Center of Arlington, well-known England producers of many light operas, operettas and musical comedies.

The presentation will be given for six evenings during the week

of February 14th, appropriately opening on St. Valentine's Day. From all indications this year's show will attract capacity audiences.

The cast which includes singers and comedians, is headed by Anne Pickering, favorite of Arlingtonians, with Ruth Olive, well-known local soprano in the role of leading lady. Novel stage settings and a large singing chorus augments the featured players, and the elaborate and colorful costumes are in charge of Mrs. Ruth MacDonald. The business manager of the production is Edgar Emery, who is also in charge of ticket allocation.

Town Departments Cooperate In Prompt Snow Removal

For the first time in the history of the town, so says Chairman O'Neill, of the Department of Public Works, Arlingtonians during Monday's storm beheld the welcome sight of the streets and sidewalks both being cleared at the fact that the Department of Public Works, with the cooperation of the Park, Police, Tree, and other allied departments, was able to put into successful operation their new system of attacking the huge problems of prompt and efficient snow removal, aided by the greatly augmented equipment of trucks, tractors, snow-loaders, etc., which tackled the problem starting with the first snowflake and keeping one step ahead of the storm at all times, until the storm abated.

Anticipating an all night attack by the enemy, seven additional trucks were put on the job, and later in the day after the first ploughing of the streets was accomplished, the trucks and tractors went to work on the slush which developed as the weather moderated, the storm unexpectedly coming to an end by night-fall. Coming in for a good share of

praise accorded the Department of Public Works for the fine job they did, Chief Bullock, of the Police Department, stated that his men would continue to do everything possible to assist in facilitating the work of Mr. O'Neill's department, and warned that at the next storm police would be instructed to remove all automobiles parked on the streets of the town, which seriously hamper the work of the snow removal.

In spite of many requests by the police department, automobilists still continue to ignore the warnings given by the former that automobiles must be removed from the streets. Chief Bullock will be obliged to order his men to remove such vehicles at the expense of the owners, and the co-operation of every car owner in the town is asked, in order that such a drastic measure may not be necessary.

Popular West Medford Pastor Accepts Call To New Bedford Church

The many Arlington friends and neighbors of Rev. Eugene Dinsmore Dolloff, S. T. A., pastor of the West Medford Baptist church, will regret to learn that on Sunday he concluded a pastorate with the announcement that he has accepted a call to the historic pulpit of the First Baptist church in New Bedford, one of the ranking churches in its denomination in the Commonwealth.

Originator of unusual Sunday night services, featuring the popular audience participation singing, Dr. Dolloff during his long ministry has brought the West Medford church to a position of pre-eminence in the denomination.

Announcement of his resignation was read by the Rev. Charles L. Atkins, D. D., pastor of the Mystic Congregational church, while Dr. Dolloff was acting as

guest preacher on Sunday at the Calvary Evangelical church.

Dr. Dolloff has achieved nationwide fame as the author of several distinguished books and many publications on religious and humanitarian subjects.

His many Arlington friends unite with hundreds of parishioners and associates in wishing for the Doctor many years of continued service and happiness in his new pastorate.

Benefit Game Proves To Be Big Thriller

The hottest basketball game of the 1948-49 season in Arlington saw the Arlington Boys Club Varsity defeat the highly favored American Legion team 34 to 35 in the March of Dimes Benefit Game at the Lowe Memorial Gym on last Sunday afternoon before an estimated crowd of 600 spectators. In a contest described as a battle for the Championship of Arlington the younger and more determined Boys Club team led by Captain Joe Keohane and coached by Joe "Red" Tobin repeatedly came from behind to finally eke out a one point decision over the bigger and more experienced Legionnaires.

The game was made by the over-aggressive play of the Legion club an dit took all the skill of Boys' club guards Canty, Hanlon and Casey to break up the attempts of the Legion forwards led by high scorer Dinny Shea to smother the Spy Ponders.

The high point of the contest came as the final whistle sounded with the score tied up, center Bill Stephens was fouled by a Legion player and it was the basket that Stephens calmly tossed in that actually decided the game.

In their eliminary game the undefeated Miget 100 lb. team from the Arlington Boys' Club won out over Midget 100 pound team from St. James CYO group. Little Swiftly Carroll of the Boys' Club stole the hearts of the crowd with his fine play.

Officials responsible for the program were Post Commander Richard D. Noy Arlington Legion Chairman William Sinclair Arlington Polio Fund, Charles Scannell Public Address System John Toomey Auxiliary Police, James H. Sumner Director Arlington Boys' Club.

The Lineup for both clubs are as follows:
Arlington Boys Club:
Keohane
Cooper

Perhaps it might better be called an alluring, rather than an alarming, matter, but the fact remains that the Cricket Watch has chirped and that because of this Vulcan timepiece she wears on her wrist, Florence Vandiver is enabled to be as alert to enjoy the hours of her vacation as she is to be ready, through the agency of this alarm watch, for proper rehearsal timing for such programs on which she appears as the MBS Sunday "Adventures of Sherlock Holmes" which resumes its broadcasts next month.

Red Cross Offers Jobs As "Gray Ladies"

Arlington women may become librarians, turn their hand to diversionary therapy, or even make weekly trips to sea, if they take the opportunity now open to become Red Cross Gray Ladies. In addition, Gray Lady duties may include work at Red Cross blood centers, and assisting at the arrival of ships carrying displaced persons. These Ladies are those women who perform nursing services in more than a dozen local hospitals, at blood centers, and participate in other important community projects.

Additional daytime volunteers are greatly needed for this work, and a short training course will start at the Red Cross headquarters, 17G Louceter Street, Boston, February 14. Appointments for interviews may be made by tele-

phoning Kenmore 6-6226.

Volunteers have been requested by the Chelsea Naval Hospital Cushing Veteran's Murphy General and West Roxbury Veterans hospitals, as well as by eleven local civilian hospitals. More than one hundred volunteers who can give four hours a week will be required to fill the need now existing Long Island Hospital has sent a special request to the Boston Red Cross Gray Lady Service for ten additional "sea going" Gray Ladies, who can help brighten the time for the hundreds of patients in this Boston Harbor hospital.
